

BLACK & DECKER

11th April 2008

To Whom It May Concern:

Ref. Regulation (1907/2006) Registration, Evaluation, Authorisation and Restriction of Chemical substances.

Dear Sir

I can confirm that Black & Decker is aware of the requirements of the above legislation and is currently working with its supply chain to evaluate the necessary actions needed to comply.

Where it is required Black & Decker will ensure that all chemical substances that need to be registered under the above regulations will be so registered within the timescale required.

Should you need any further detail please do not hesitate to give me a call.

Yours sincerely
